DETAILED ACTION

Claims 1-23 are allowed.

1. The following is an examiner's statement of reasons for allowance:

The prior arts of record fail to teach method for starting up the casting operating without start-up strand comprising the method of feeding metal between the rollers, rotating the roll lower than a steady-state operating casting velocity, forming the cast metal with constant cross sectional while increasing the casting velocity, then increasing the casting velocity to a strip separating casting velocity which is significantly higher than a casting velocity which is sufficient for prevailing full solidification conditions.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Len Tran whose telephone number is (571) 272-1184. The examiner can normally be reached on M-F, 8:30 - 5.
